

## Bayan Gathered its Employees for the Graish & National Day

Bayan Investment Holding Company organized a special celebration on the occasion of Graish and the State of Kuwait's National Day holidays. The event was part of the company's commitment to social responsibility and to preserving traditional family values in Kuwaiti society. Top and executive management joined employees in a joyful atmosphere, and the company's headquarters were decorated to reflect the spirit of the occasion.

The Public Relations Department presented commemorative national badges to employees in celebration of the occasion. Bayan reaffirms its commitment to supporting national values and fostering a sense of belonging among its staff through community events.

The management of Bayan Investment Holding Company and all its employees extend their warmest wishes to the State of Kuwait—its government and people—on the occasion of the holy month of Ramadan and the National and Liberation Days, praying to Almighty God to grant Kuwait and its people continued security and safety.
